### State Plan Member:

The State of Montana Benefit Plan (State Plan) recently updated the State Plan's Life Insurance, Accidental Death and Dismemberment, and Long Term Disability Certificates with The Standard Insurance Company.

As a State Plan member, you automatically receive \$14,000 in life insurance coverage. Please refer to the Life Insurance Certificate found [here](#) for coverage details about your life insurance. This certificate also applies if you have elected additional life insurance coverage for yourself or your spouse.

If you have enrolled in accidental death and dismemberment (ADD) coverage, please refer to the Accidental Death and Dismemberment Certificate found [here](#) for coverage details about your ADD insurance.

If you have enrolled in long term disability (LTD) coverage, please refer to the Long Term Disability Certificate found [here](#) for coverage details about your LTD insurance.

The updated certificates replace any previously issued certificate. You will not be mailed a copy of each certificate that applies to your benefit election. You may save or print a copy of the certificate for your records, or contact HCBd if you need a copy mailed directly to you.
